

This is how it works:

You've found an apartment that you would like to rent?

- 1.** Please contact our friendly customer consultants by telephone or email.
- 2.** We will then arrange a viewing of the apartment.
- 3.** If you wish to rent the apartment, we will arrange a second appointment at our office (Olbersdorfer Strasse 25), where you can sign the housing offer. We will also agree on the beginning of the rent period and the day of handover.

What you need to bring to the second appointment:

- Your passport
- Your certificate of enrolment (for students)

- 4.** At the handover of the apartment you will receive the keys and sign the rental agreement.

Please note:

The rent does not include costs for electricity and gas.

You have to give a deposit (three monthly rents).
